## Talk about their online world

The NSPCC says:

We talk to children about crossing the road, bullying and speaking to strangers. But what about staying safe in the digital world?

Having regular conversations about what your child is doing online – just like you would their day at school – is the best way to keep them safe.

### EASTER 'BONNET' CHALLENGE 2019

Dear Parents / Carers,

Our Easter Challenge this year is to create a hat or bonnet with an Easter or seasonal theme. These are the rules:

- **The design is open but they must be wearable – pictures will be taken with the creations being worn.**
- **They must be the child's work (adult support and advice only!).**
- **They must be in by 9am on the morning of Thursday 4<sup>th</sup> April 2019.**

The judging will take place during the school day of Thursday 4<sup>th</sup> and pictures posted on the website.

Entry is **free** – it's just for fun!

Prizes will be given to the best creation in each class and a small prize will be given to every child taking part

We do have 40 white and 40 pink blank baseball caps which we are selling at cost for £1 each for you to decorate. There is no obligation to buy these and you are welcome to create your own styles and designs using other resources. We just thought it might help as a start. As there are only a set number we will sell these on a first come-first served basis but only sell one per child. These will be available at the office.

Please make sure the creations are labelled so we know who they belong.  
We hope you have a great time making them!

Thank you for your support.
