FANTASTIC!**

Easter Service

On Tuesday the whole school attended St. Bartholomew's church for our annual Easter service. Thank you for all the support from parents – especially those helping us walk up to church! It was lovely to see and hear the children perform in church.

Brass Performance

It was a very impressive evening on Wednesday this week as our Year 3 Brass project ended with a great performance from Year 3 pupils followed by more music performed by Whitworth Youth and Academy Bands. Well done Year 3!

PTFA Easter 'Bonnet' Challenge

Pictured are the winners of our Easter headgear challenge for '19. More pictures on the website. Entries were all

very impressive and a lot of creative effort (and fun!) had been spent in producing them. Mrs Riley, our school cook had a difficult job selecting winners. All entries received a prize from the PTFA. Thank you for supporting and well done to all!
