Well, we're now back in the swing of being a full school again and we've looked at where all the children are up to so we're ready for a hard-working but enjoyable summer term. It's almost a shame to have a holiday (!) but we know everyone has been trying so hard – both in lockdown and out of lockdown – so have a lovely Easter holiday and we look forward to you returning on Monday 12th April, *Mr Crabtree*

Year 5 Catapult (Lever) Challenge!

There were some great examples of teamwork and pupils being CO-OPERATIVE this week as our Year 5 class worked in teams to create some superb working levers. These catapulted items for their 'Parent-Pleaser' inventions in Design and Technology.

The Easter holiday starts when we finish school this Friday.

New Parents Communication App

We are introducing a new way to communicate with parents. This will use the Weduc App and help us to keep in touch – so please download it and enter your code!

Why?

We want to be able to do more than just send texts to keep you up-to-date. Now we will be able to send letters electronically, post upcoming events and newsletters, submit forms, check the school calendar among many other things!
