It has been great to see all our children taking part in our 'Daily-Mile' challenge and this is especially fun when the weather is warm and sunny. We will be trying to keep this up though, whatever the weather, so please make sure your children come with a coat suitable for rain and colder temperatures. We are very keen to improve everyone's health with good food choices and lots of exercise! *Mr Crabtree*

Year 6 Topic Work

Our Yr 6 pupils have been hard at work with both their building work and in their art work. The towers that you can see being built took a lot of creative thinking and compared structures built on solid and loose foundations - just like the two houses in the bible story!

The super art work below covers the World War 2 theme with pictures of the Blitz. Well done to all our Year 6 pupils for a very creative and great team-working week!
