It has been great to see classes going out in the local community as we organise visits around Whitworth and Healey Dell. This hopefully is the start of us getting back to a more normal learning experience for our children and is always something exciting for them to look forward to. Further trips are planned so please make sure they have suitable coats and footwear on the days they go – Thank You, *Mr Crabtree*

From 8:00am - £2.00

Year 3 Tree Survey

Our Yr 3 pupils have been looking at all the different trees we have around school this week. Of course we have our Tree-house trees with Beech, Rowan, Silver Birch and Sycamore, but they also found Willow, Maple, Elder and Oak on their search.

This all linked-in with Mental-Health Awareness Week as they enjoyed being out in the great outdoors but it also fitted in with their work on plants in Science and their maps skills in Geography. Well done Yr3!

WEDUC App Thank You!

We now have almost 100% of parents signed-up to the **Weduc App** Thank You! – that's fantastic – we can now keep in touch with everyone!

Social Media Apps and Minimum Ages

The following are the **MINIMUM** ages for phone Apps that some of our children have told us they are using! As you can see, NO Primary aged child should be on these Apps without adult monitoring and guidance:

WhatsApp  -16 years old

Instagram  -13 years old

Snapchat  -13 years old

Tik-Tok  -13 years old

Youtube  -18 years old

Facebook  -13 years old

School cannot police these and should not have to deal with the fallouts caused by their use. These age restrictions are put in place for a reason and I would ask parents to think carefully about what their children are using and either delete them or at least monitor their use!

Thank You
Mr Crabtree
