This has been a great week in school with an excellent production of Treasure Island and a growing and impressive bounty of food for our harvest collection. There's still time to bring in more so I do encourage you to gather more if you can before it is taken to the food bank early next week. It's Parents Evening on Tuesday so please try and get to see how well your child is doing – look forward to seeing you!

## Treasure Island!

This week, all our children got to see a great interactive play with Professor Stage who came out of the screen to join us!

The children really enjoyed the show and it gave us a little taste of the full theatre performance that we are going to see in November down at the Ashcroft Centre (previously the Riverside) where a full cast from M&M Productions will perform a Christmas Carol for the whole school.
