Safety First!

On Monday, Bacup Fire Service came in to talk to some of our pupils about safety. They spoke to Yrs 2 and 3 children about household and fire safety and then to Yr6 about Road Safety.

We learned a lot from Smokey the dog and what to do in the event of a fire and Yr6 found out how important it is to wear your seatbelt in a car and also to how vital it is to wear a helmet when you are on your bike. Great advice – let's make sure we follow it!

Attendance Superstars

World Nursery Rhyme Week 2021

This week is World Nursery Rhyme Week and our younger children are taking part by learning their favourite nursery rhymes ready for a performance at next Monday's whole-school assembly. I'm looking forward to seeing them perform and celebrate this special international event!

Schools COVID Infection Survey

We've had our first group of children taking part in the COVID Infection Survey this week. It was just a swab on the tongue and doesn't hurt. The next round of this is in spring but you can still sign up to take part and help the government find out how many children have had COVID

You can still join-in at:

Children-in-Need

This Friday is Children in Need Day and we will be having a non-uniform event to join in with the activities.

Minimum donation is £1.

Please make sure children can wear the clothes all day including toileting and outside!

PARKING DANGER

Please can you not park on the zig-zag or double yellow lines outside school.

IT IS SO DANGEROUS!
